Happy Valentine's Day

Because of the cold weather on Friday February 12th we couldn't walk to the nursing home and drop off our Valentine's presents and scatter some kindness and happiness. Hopefully soon we can create another opportunity. I would also like to welcome our new friend Corinne and her parents Emily and Joe.

We learn about the continents by singing "the continent song"
 Tel me the continents
 Tel me the continents
 Tel me the continents if you can
 North America, South America
 Africa, Europe, Asia
 Don't forget Australia
 Don't forget Antarctica
 These are the continents,
 These are the continents
 These are the continents of our World.

Food Preparation lessons are always a big success. There is always that question; Can I eat it Susan? YES

We started talking and learning about the continent North America; the wonders of America, mountains, rivers, desert, animals, the flag and our presidents.
