MAPLETON MONTESSORI SCHOOL

43rd Year, No.3 • October 2021

SHORT & SWEET! Next upcoming holiday Nov 11: Veterans Day – MMS will be closed.

Drop-off time is 8:30–9:30. With cold weather coming, if we're inside we won't have a check-in person at the gate so you must arrive by 9:30 to get checked in. A late arrival (due to a doctor visit, etc.) must be ok'ed in advance

Aftercare culinary school! Children made guacamole served with chips in the avocado shells. Yum!

PICK-UP TIME

The aftercare teachers have asked me to remind everyone that aftercare starts at 3:30. Sometimes they have projects they'd like to start but are waiting for other children to be picked up. They'd really appreciate all children who are not signed-up as regular aftercare students being picked up by 3:30. Occasionally, something unexpected happens and a family is late - we get it. Please let that be the exception, not the norm. Also, if something happens, and you need to arrive after 3:30, please call the teacher line (not the office) to let the teachers know.

HALLOWEEN PARADE – Friday Oct 29

Children come dressed in their costumes. At 9:30 both classes will parade. After which, children will take off their costumes and hand them back over the fence to parents. Susan L & Linda's class will parade on the trike path and Susan H's class will parade on the grass. We invite you to watch the parades from outside the fence. If you take pictures please don't share them on social media, unless they show only your child. Overflow parking in the dirt lot to the north.

COLD WEATHER APPROACHING!

The cold weather is upon us; think: layers! But, if you purchase winter gear, especially boots, please make sure your child can put them on; practice with your child before sending them to school. I only say this because we have often seen boots that even the teachers cannot wrestle onto a child's foot. Make sure your child and the staff can identify clothing. Please,

Home-made tags for snow pants.

LABEL EVERYTHING (socks, hats, mittens, etc.) Things that are not helpful: using initials, washed-out names, hand-me-downs with the previous owner's name in them, and no name at all. We'll have 60 boots & mittens, 30 snow pants & coats daily so we'll need your help. Thanks - we appreciate you!

JUMPING ROPE is DAUNTING!

CDHS told us to put the hose up; it's a tripping hazard. We had a better idea!
