MAPLETON MONTESSORI SCHOOL

44th Year, No.3 • October 2022

SHORT & SWEET!

Parent-Teacher conferences: will be sprinkled throughout the weeks of Oct 24th and 31st.

Halloween Parade: Monday, Oct 31 9:00 Children wear costumes to school; we'll have a parade right at 9:00 so everyone can see the little trick-or-treaters circle the trike path (several times). Then the costumes get taken off and return home whence they came!

FIREFIGHTER VISIT

We had a wonderful and informative visit from one of our own - Garrick Northrup (Heloise's dad) - who is a wildfire fighter. He brought his fire fighting attire, hoses and sheets (to simulate smoke). The children were able to see him dressed as a fire fighter from top to bottom, which allows them to get familiar with, not afraid of, what potentially looks like a huge scary alien (and of course, fire fighters are anything but!) Children practiced staying near the ground to avoid smoke by crawling under sheets being waved over their heads.

To complete the visit, children were able to dress up as fire fighters (that garb is heavy!) and maybe best of all, they got to hold a fire hose shooting water from our personal hydrant in the parking lot. Thank you Garrick!!

EFAA FOOD DRIVE

Wow! Due to your generosity we delivered 206 lbs. of goods to EFAA. The children handled the triage: food, baby items, toiletries, etc. A huge thanks to all!
